

BLM Filming Fees – 2022

Processing and monitoring fees per application as of January 1, 2022. To be adjusted annually for changes in the IPD-GDP.

Processing/Monitoring and Rental fees must be paid before filming is permitted on public land. Generally, it is easiest to submit all fees with the application. Processing fees are non-refundable, but monitoring and rental fees will be refunded if the application is not approved.

PROCESSING AND MONITORING FEES vary depending on the estimated BLM work hours required to process the application and to monitor filming and reclamation. In most cases, minimal impact filming at popular locations requires Category 1 fees. These are generally paid with the application after coordination with the local BLM contact.

The fees are based on the following schedule:

CATEGORY	BLM WORK HOURS	2022 PROCESSING/MONITORING FEES*
1	1 to 8	\$136
2	8 to 24	\$480
3	24 to 36	\$904
4	36 to 50	\$1,296
5	<i>Not applicable to film permits</i>	
6	50+	Full reimbursement for actual costs

*Processing and Monitoring fees may be assessed using separate categories.

RENTAL FEES vary per state and are generally established by statewide appraisals. The following schedules are from the three states that process the most BLM filming permits:
